

## OUR PARTNERS

### HOW WE FIGHT

There's no single way to break the cycle of poverty. That is why United Way isn't a single issue organization. Your investment is leveraged in countless ways as we pull together key partners across Maricopa County to fight for kids, families and the neighborhoods where they live. No other organization unites as many people to fight poverty in as many ways.

### WE FIGHT FOR KIDS

We believe in supporting kids in all stages so they can have the start they deserve to break the cycle of poverty

#### School Readiness

Help students be school ready by Kindergarten.

**Thriving Together**

Ensure children, youth and young adults succeed within the boundaries of the Phoenix Union high schools and its partner elementary schools. If children are prepared at several key milestones in their educational career, they can stay on a path to success. Those milestones are the focus of Thriving Together and its efforts to provide measurable results.

### We Fight For Families

Fighting for families means addressing a variety of issues facing families in poverty.

### Project Connect

United Way's community partners come together at various locations across the Valley and throughout the year to provide immediate need, emergency items and long-term solutions, matching volunteers with guests one on one for direct attention.

**We Fight For Neighborhoods**

At the center of our fight against poverty is our Community Empowerment work, focused on working with local communities to leverage all of the resources that United Way can offer to build long-term solutions to poverty. We currently work in three neighborhoods (Maryvale, Guadalupe and Central City) on specific goals for each, determined in partnership with local leaders and residents.
