211 is a vital service leveraged by millions of people throughout the U.S. and Canada every year who need help finding community resources and overcoming crises.

211 is available to more than 94% of the U.S. population by phone, text, and web.

Simply dial 211 to reach a local community specialist who can help connect you with services and resources available to you. We can help with:

- Mental health and substance abuse support and treatment
- Health care and health insurance resources
- Supplemental food and nutrition programs
- Shelter and housing options
- Services for veterans
- Crisis and disaster resources

You can visit www.211.org to learn more or to search for services online.
