

# Become a **Mighty** Volunteer

## About Our Volunteers

Our volunteer base is comprised of passionate individuals, local community members, corporate teams, student volunteers, skills-based volunteers and community groups of all sizes. Some volunteer with us once, while others form deep connections and take on regular shifts. All are welcome! Whether you are volunteering on your own, or with a group, Valley of the Sun United Way is here to connect you with meaningful and relevant ways for you to donate your most precious resource: your time. Join us in creating Mighty Change!
